DESCRIPTION

Mercedes-Benz A 250 e Saloon AMG Line (2020): Plug-in Hybrid Executive Saloon, AMG Sport Styling, and Electric Efficiency

The 2020 Mercedes-Benz A 250 e Saloon AMG Line blends sleek four-door saloon elegance with advanced Plug-in Hybrid (PHEV) technology and athletic styling. Powered by a 1.3-liter Turbo petrol engine paired with a high-output electric motor to deliver a combined 218 hp through a smooth 8G-DCT dual-clutch automatic transmission, it provides brisk acceleration alongside zero-emission 100% electric capability for daily commuting. The AMG Line specification sharpens its road presence with AMG body styling, a signature diamond-pattern front grille, 18-inch AMG light-alloy wheels, and lowered sports suspension. Inside, the upscale, high-tech cabin features the MBUX infotainment system with dual widescreen digital displays and voice control, sport seats upholstered in ARTICO man-made leather and DINAMICA microfibre with red contrast stitching, a Nappa leather-wrapped multifunction sport steering wheel, dual-zone automatic climate control, and advanced driver assistance systems. It represents the ultimate choice for drivers seeking prestige, eco-conscious efficiency, and dynamic performance.

At Cars & Cars, we strive to provide a transparent and personalized buying experience. More than just selling cars, we seek to build relationships based on trust, ensuring quality and excellence in every vehicle.

All our electrified vehicles undergo a rigorous battery State of Health (SoH) test, guaranteeing total transparency and maximum reliability upon delivery.
