BMW IX XDRIVE 40

This amazing car is certified by:

BERNARDO DELFIM

DESCRIPTION

BMW iX xDrive 40: The Manifesto of Futuristic Luxury and 100% Electric Mobility
The BMW iX xDrive 40 is a masterpiece of engineering that redefines the future of premium automobiles. Built from the ground up for purely electric mobility, it combines the power of two electric motors with the intelligent xDrive all-wheel-drive system to deliver vigorous acceleration and superb handling stability on any road surface. Inside, the "Shy Tech" concept hides technology until it is needed, creating a minimalist, luxury-lounge-like cabin crowned by the breathtaking BMW Curved Display. It is the ultimate choice for those seeking exclusivity, the pinnacle of digital intelligence, and an absolutely disruptive zero-emissions driving experience.
For your total peace of mind, we can perform a rigorous battery health and quality test on all our electrified vehicles.
At Cars & Cars, we strive to provide a transparent and personalized buying experience. More than just selling cars, we seek to build relationships based on trust, ensuring quality and excellence in every vehicle.
The information provided, while accurate, does not waive the need for confirmation and cannot be considered binding.
Administrative fees of €200 will be added to the indicated price.
