

VOLVO V60 2.0 D4 MOMENTUM PLUS GEARTRONIC

DESCRIPTION

The Volvo V60 2.0 D4 Momentum Plus Geartronic is the ultimate expression of the modern family estate. Combining Volvo's legendary safety with refined Scandinavian design, this model offers a serene and powerful driving experience, thanks to the 2.0 D4 engine and the smoothness of the Geartronic automatic transmission. The Momentum Plus trim level enhances comfort with high-quality materials and intuitive technology, making it the ideal choice for those who travel long distances and value well-being, protection, and sophistication in every mile.

At Cars & Cars, we strive to provide a transparent and personalized buying experience. More than just selling cars, we seek to build relationships based on trust, ensuring quality and excellence in every vehicle.

The information provided, while accurate, does not waive the need for confirmation and cannot be considered binding.

Administrative fees of €200 will be added to the indicated price.
