DESCRIPTION

Toyota Yaris 1.5 Hybrid Comfort (2022): Benchmark Hybrid Efficiency, Urban Agility, and Automatic Ease

The 2022 Toyota Yaris 1.5 Hybrid Comfort sets the gold standard for modern urban hatchbacks, seamlessly combining Toyota's world-renowned 4th-generation self-charging Full Hybrid technology with sharp, agile proportions. Powered by the efficient 116 hp 1.5 Hybrid powertrain paired with an e-CVT automatic transmission, it is capable of driving on electric power alone for much of your daily city commuting without ever needing to plug in, yielding remarkably low fuel consumption and effortless driving smoothness. The Comfort specification delivers an outstanding suite of features, including LED daytime running lights, a central touchscreen infotainment system with Apple CarPlay and Android Auto integration, a rearview camera, automatic climate control, a leather multifunction steering wheel, and the advanced Toyota Safety Sense driver assistance suite (featuring autonomous emergency braking and lane-keeping assist). It is the premier choice for drivers demanding legendary reliability, record-low running costs, and stress-free driving.

At Cars & Cars, we strive to provide a transparent and personalized buying experience. More than just selling cars, we seek to build relationships based on trust, ensuring quality and excellence in every vehicle.

All our electrified vehicles undergo a rigorous battery State of Health (SoH) test, guaranteeing total transparency and maximum reliability upon delivery.

The information provided, while accurate, does not waive the need for confirmation and cannot be considered binding.

Administrative fees of €200 will be added to the indicated price.
