

**The new Audi A4, A4 allroad and S4 range**  
Pricing and Specification Guide  
Valid from July 2009

# A User's Guide

This guide has been designed to help you tailor and price your chosen A4 model quickly and logically. At the back of this guide, you will also find information on CO2 emissions-based taxation and the other services offered by Audi, including Finance and Insurance.

If you wish, you can go to [audi.co.uk](http://audi.co.uk) and configure your A4 online.

From the website, you can also access the Audi Channel player and see your potential new car in action on the following programmes:

## Drivetime

[www.audi.co.uk/A4drivetime](http://www.audi.co.uk/A4drivetime)

[www.audi.co.uk/S4Avantdrivetime](http://www.audi.co.uk/S4Avantdrivetime)

## Your Audi

[www.audi.co.uk/A4youraudi](http://www.audi.co.uk/A4youraudi)

Alternatively, tune into the Audi Channel at any time on Sky Guide No. 884 to see a whole range of programmes about the Audi range and our motorsport achievements.

## The new A4

With its innovative technologies and modern, pioneering design, the new Audi A4 is set to completely redefine your driving experience. Sporty exterior styling and exceptional interior refinement ensure that it creates a long-lasting impression of style and sophistication, which is reinforced when you start to discover the exclusive features that lie beneath its sculpted bodywork.

The Audi drive select system provides agility and control, while retaining directional stability and precise steering in difficult, high-speed driving conditions. What's more, Audi drive select can be tuned by each individual, ensuring a drive that's perfectly customised for your needs. But that's not all. The climate controlled seats add even more comfort, while Audi side assist and Audi lane assist guarantee a safer, more satisfying journey.

In short, the new Audi A4 incorporates the ideal combination of cutting-edge design and advanced technologies, allowing it to deliver one of the most balanced, rewarding driving experiences in the industry. From its sporty appearance to its refined interior features, each aspect has been expertly developed to produce a remarkable vehicle that raises the benchmark for design and driving dynamics.

# Engines

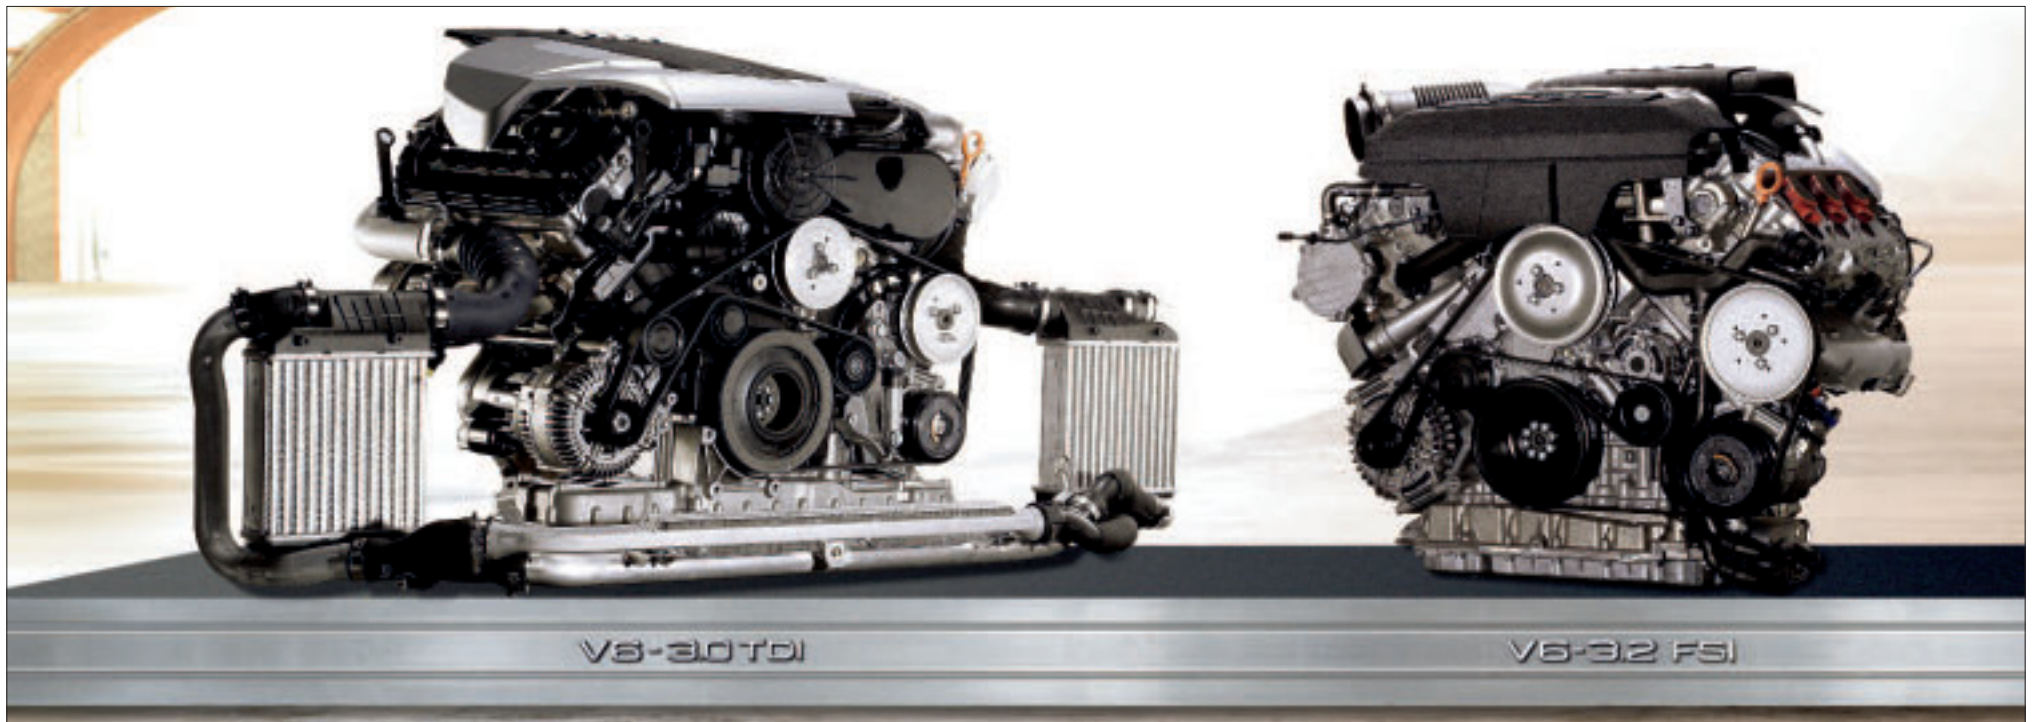

## Petrol

All A4 petrol engines feature FSI® direct-injection – a unique Audi technology originally developed for the Le Mans 24-hour endurance race to deliver increased power and torque as well as enhanced fuel efficiency. The way it does this is, in theory, very simple. Precisely the right amount of fuel and air are injected directly into the combustion chambers, enabling the engine to 'breathe' more easily. At the same time, electronics monitor the engine load and adjust the injection process. The result – reduced heat-loss and increased output, with around a 15% reduction in fuel consumption and significantly lower exhaust emissions. Ideal for the buyer who wants a sporty, exhilarating drive without the drawbacks of excessive fuel costs or high CO<sub>2</sub> emissions.

## Diesel

All diesel engines from Audi are known as TDI®. This impressive technology was originally pioneered by Audi in 1989, marking a departure from the noisy, fuel-thirsty diesel engines of the past. Like its FSI petrol counterpart, the TDI® diesel engine is designed for power, performance, low fuel consumption and reduced CO<sub>2</sub> emissions.

The A4 TDI® engines are based on the common rail system. Here, fuel is stored and kept at constant pressures of up to 1,600 bar, ready to feed a series of highly accurate piezo injectors, which control the rate and point of injection.

V6-3.0 TDI

V6-3.2 FSI

# quattro®

## Permanent all-wheel-drive

It's the technology that has given Audi the edge on the racetrack ever since it was first introduced over 25 years ago – a technology that delivers ultimate control whilst enhancing the sporty characteristics which make the A4 so thrilling to drive. It's called quattro® permanent all-wheel-drive. The principle is simple: in the same way that four brakes ensure better deceleration, four permanently-driven wheels deliver better acceleration and road-holding, pushing or pulling the car as needed,

for a driving experience that's both dynamic and safe. In the A4 asymmetric dynamic torque distribution continuously distributes drive power between the front and rear axles depending on weather conditions, road surface and gradient, which increases flexibility for an enhanced, sportier drive.

# Standard model equipment

## All A4 models have the following items of Standard equipment:

### Engine

Automatic start/stop function for greater fuel and CO<sub>2</sub> efficiency. Comprising;

- Recuperation for optimal energy utilisation
- Energy saving tips feature in Driver's Information System; including gearshift indicator

(Only available on the 2.0 TDI/2.0 TFSI manual engines)

### Wheels, tyres and suspension

16 x 7.5J '7-arm' design alloy wheels with 225/55 R16 tyres and locking wheel bolts (not available on 2.0 TDle models)

16 x 7J '6-arm' design alloy wheels with 205/60 R16 low rolling resistance tyres and locking wheel bolts (only available on 2.0 TDle models)

Space-saver spare wheel (not available on 2.0 TDle models)

2.0 TDle models feature suspension lowered by 20mm

Tyre mobility system (only available on the 2.0 TDle)

### Audio and communication

Audi Chorus audio system – single CD player with 6.5" monochrome display

6 loudspeakers (80 Watts)

### Seats

Cosinus cloth seats with manual height adjustment

Split-folding rear seats

### Safety and security

ESP (including limited-slip differential on FWD models)

First aid kit

Front and rear fog lights

Front and rear ISOFIX seats with front passenger airbag de-activation switch

Front side airbags

Headlight range adjustment

Thatcham category 1 alarm and immobiliser

Toolkit and car jack

Warning triangle

### Interior equipment

1-zone climate control

12V power socket in boot (not available on 2.0 TDle models)

4-spoke leather steering wheel

Door sill trims in Aluminium optic

Driver's Information System (DIS)

Electric front and rear windows

Electromechanical parking brake

Front and rear floor mats

Intelligent key

Micrometallic inlays

Rear armrest

Steering column adjustment for rake and reach

Servotronic speed-related power-assisted steering

### Exterior equipment

Auto-opening boot lid (Saloon models only)

Exterior mirrors – electrically operated and heated

Front grille – Black gloss on 3.0 TDI and 3.2 FSI, Stone grey on all others

Halogen daytime running lights

Roof rails in bright finish (Avant models only)

Exhaust pipes – 4-cylinder models have two exhaust pipes on the left hand side. 6-cylinder models and the 2.0 TFSI Avant model have one exhaust pipe on each side

16 x 7.5J '7-arm' design alloy wheels

Exterior mirrors – electrically operated and heated

16 x 7J '6-arm' design alloy wheels

## A4 Standard model prices

### Petrol – Saloon

Engines	Power	Transmission	Basic RRP	Total RRP <sup>inc. VAT</sup>	Recommended OTR
1.8 TFSI	120PS	6-speed manual	£17,147.83	£19,720.00	£20,490.00

### Petrol – Avant

Engines	Power	Transmission	Basic RRP	Total RRP <sup>inc. VAT</sup>	Recommended OTR
1.8 TFSI	120PS	6-speed manual	£18,147.83	£20,870.00	£21,665.00

### Diesel – Saloon

Engines	Power	Transmission	Basic RRP	Total RRP <sup>inc. VAT</sup>	Recommended OTR
2.0 TDI	120PS	6-speed manual	£19,130.43	£22,000.00	£22,740.00
2.0 TDIe	136PS	6-speed manual	£19,726.09	£22,685.00	£23,340.00
2.0 TDI	143PS	6-speed manual	£19,726.09	£22,685.00	£23,425.00

### Diesel – Avant

Engines	Power	Transmission	Basic RRP	Total RRP <sup>inc. VAT</sup>	Recommended OTR
2.0 TDI	120PS	6-speed manual	£20,130.43	£23,150.00	£23,890.00
2.0 TDI	143PS	6-speed manual	£20,726.09	£23,835.00	£24,575.00

Recommended On-The-Road (OTR) retail prices include: delivery charge, half a tank of fuel, number plates at £565.00 (inc. VAT), Road Fund Licence (which may vary depending on model/transmission – see page 77 for details) and first registration fee at £55.00.

RRP – Recommended Retail Price.

# SE model equipment

## In addition to Standard model equipment:

Basic RRP	Total RRP <sup>inc.</sup> VAT
£852.17	£980.00

### Wheels, tyres and suspension

17 x 7.5J '7-arm' design alloy wheels with 225/50 R17 low rolling resistance tyres and locking wheel bolts  
Space-saver spare wheel (not available on 2.0 TDIe models)  
2.0 TDIe models feature suspension lowered by 20mm  
Tyre mobility system (only available on 2.0 TDIe models)

### Audio and communication

Audi Concert radio. Single CD with MP3 compatibility, colour centre console screen, SD memory card reader and AUX-IN socket in centre console  
Audi sound system speaker package, 10 speakers including subwoofer (180 Watts)

### Interior equipment

4-spoke leather multi-function steering wheel  
Auto-dimming rear-view mirror  
Aluminium Hologram inlays  
Deluxe 3-zone climate control with separate air distribution and digital display for driver and front passenger. System includes air-conditioning controls in the rear centre console for rear passenger compartment  
Door sill trims in Aluminium optic  
Driver's Information System (DIS) in colour  
Front centre armrest including 12V power socket  
Interior chrome package

### Safety and security

Automatic headlight operation  
Automatic windscreen wipers

### Exterior equipment

Exterior aluminium package

Driver's Information System (DIS) in colour

17 x 7.5J '7-arm' design alloy wheels

# S line model equipment

## In addition to SE model equipment:

Basic RRP	Total RRP <sup>inc.</sup> VAT
£2,126.09	£2,445.00

### Wheels, tyres and suspension

18 x 8J '5-spoke' S line design alloy wheels with 245/40 R18 tyres

Sports suspension 20mm lower than Standard.  
(S line suspension 30mm lower than Standard.  
Available in lieu of Sports suspension at no charge)

Space-saver spare wheel

### Interior equipment

3-spoke S line multi-function steering wheel  
(paddle shift for automatic models)

Black headlining

Matt-brushed aluminium inlays

Perforated leather gear knob

S line embossed Sports seats in cloth/leather combination

S line sill plates

### Exterior equipment

Bumper 'blade' in Platinum optic

Chrome fog light surround

Chrome rolled exhaust

S line exterior styling package including:

- S line side skirts
- S line front bumper
- S line rear diffuser
- S line badges on wings

Rear LED lights

Roof spoiler (Avant models only)

Xenon headlights with LED daytime-running lights

### Additional upholstery information

Option of black or silver stitching to upholstery, steering wheel, gearshift gaiters and floor mats

3-spoke S line steering wheel (paddle shift for automatic models)

18 x 8J '5-spoke' S line design alloy wheels

## A4 allroad model prices

### Petrol

Engines	Power	Transmission	Basic RRP	Total RRP <sup>inc. VAT</sup>	Recommended OTR
2.0 TFSI quattro®	211PS	7-speed S tronic	£26,013.04	£29,915.00	£30,750.00

### Diesel

Engines	Power	Transmission	Basic RRP	Total RRP <sup>inc. VAT</sup>	Recommended OTR
2.0 TDI quattro®	170PS	6-speed manual	£24,778.26	£28,495.00	£29,265.00
3.0 TDI quattro®	240PS	7-speed S tronic	£29,330.43	£33,730.00	£34,565.00

Recommended On-The-Road (OTR) retail prices include: delivery charge, half a tank of fuel, number plates at £565.00 (inc. VAT), Road Fund Licence (which may vary depending on model/transmission – see page 77 for details) and first registration fee at £55.00.

RRP – Recommended Retail Price.

## S4 quattro® equipment – in addition to SE model equipment:

One look at its muscular body styling, 18" alloy wheels and subtle S4 badging, and it'll come as no surprise that the Audi S4 features a new powerful 3.0-litre V6 supercharged engine, capable of taking you from 0 to 62mph in 5.1 seconds. And from the comfort and stability of a stylish Alcantara/leather Sports seat, you can sit back and enjoy every single unit of this engine's 333PS capability, safe in the knowledge that the quattro®

permanent all-wheel-drive system will keep you exactly where you want to be – on the road. But sleek styling and powerful performance in the S4 don't come at the expense of functional, driver-oriented specifications. Simple yet thoughtful touches, such as the matt-brushed aluminium inlays, S instrument dials and electric front Sports seats have been included to ensure that your fast-paced life runs as smoothly as your Audi does.

### Wheels, tyres and suspension

18 x 8.5J '5-double-spoke S' design alloy wheels with 245/40 R18 tyres

### Seats

Sports seats with electric adjustment and lumbar support

Alcantara/leather upholstery

### Safety and security

'S' model enhanced braking system

### Interior equipment

3-spoke 'S' Sports multi-function leather steering wheel (with aluminium-look paddle shift on S tronic models)

Aluminium scuff plates

Interior lighting package

Inlays in matt-brushed aluminium

'S' instrument cluster

### Exterior equipment

4-oval, twin tailpipes, in chrome finish

Aluminium-effect door mirror housings

Integrated boot-lid spoiler (Saloon models only)

LED tail-lights

Painted brake callipers with S4 logo (on front brakes only)

Platinum grey matte grille with vertical bars and chrome inserts

Roof spoiler (Avant models only)

'S' front and rear bumpers and side skirt

Xenon headlights with LED daytime-running lights

18 x 8.5J '5-double-spoke S' design alloy wheels

Xenon headlights with LED daytime-running lights

RRP – Recommended Retail Price.

S4 embossed Silk Nappa leather Super Sports seats in Magma red. (Available as a cost option on S4.)

# Transmission

## multitronic®

Translating a driver's preferences and intentions into road performance, the multitronic® automatic transmission system entertains no compromises – whether in terms of dynamism, convenience or economy. A continuously variable transmission available on front-wheel-drive models, multitronic® operates in an exceptionally wide range of gear ratios thanks to its steel link-plate chain construction. The result is exceptional driving comfort, as well as smooth, powerful acceleration over the entire range of engine speeds. In addition, thanks to its lightweight design and the DRP Dynamic Regulating Programme which monitors gradient, road conditions and the way the driver is using the accelerator pedal, multitronic® also plays an instrumental role in reducing fuel consumption. And with eight simulated gear ratios available, you can enjoy all these benefits whilst adopting the driving style of a manual.

## tiptronic®

The 6-speed tiptronic® transmission system is a form of automatic transmission available on A4 models with quattro® permanent all-wheel-drive. The technology incorporates DSP – or the Dynamic Shift Programme which aligns and converts the engine's high power and torque into both sporty performance and operating convenience, with crisp, fast gear-changes, reduced weight and optimised gear shifting. In the 'D' (Drive) and 'S' (Sport) programmes, the advanced electronics used in tiptronic® respond efficiently to every driver input, helping to prevent unwanted gear-changes. The driver can override automatic mode by moving the gear lever into a tiptronic® shift-gate, enabling spontaneous gear-changing for a sportier driving style.

## S tronic®

The revolutionary 7-speed S tronic® gearbox combines sporty driving with the convenience and smooth, uninterrupted power of an automatic transmission. The technical basis of S tronic® is the double clutch. This consists of two lubricated plates with hydraulically-regulated contact pressure. It means that S tronic works almost as two separate systems: one engaging the odd-numbered gears, the other the even-numbered gears, enabling gear-shifts to be made in a fraction of a second, with no disruption to the power flow. So with S tronic®, depending on how the mood takes you, you can either allow gear-changes to take place automatically or, for a sportier driving style, operate the system using the gear lever or the optional steering wheel shift-paddles. The choice is yours.

## Dynamic steering

With this new technology, driving is significantly more agile under everyday conditions, while directional stability and precision are increased at high speeds and in demanding driving situations.

## Damper control

Formed on the basis of lowered Sports suspension, the optional damper control system makes it possible to tune suspension settings individually for each wheel, using adjustable hydraulic dampers.

## A4 Saloon and Avant Centre-fitted accessories

	Part number	Basic RRP	Total RRP <small>inc. VAT</small>
<p><b>Remote SIM access profile Bluetooth adaptor.</b> An enhancement of the factory-fitted option "Mobile phone preparation – Low". It enables mobile phone handsets to connect to the phone preparation via Bluetooth remote SIM Access Profile (rSAP). When handsets are connected, the adaptor enables the use of the external GSM car antenna and deactivates the handset antenna in order to minimise GSM radiation in the car and handset battery consumption. The handset is put into standby mode so battery power drain is minimal. Once connected, the adaptor links to the handset automatically and details of up to four handsets can be saved. Only handsets with Bluetooth rSAP functionality are compatible with this adaptor</p>	8P0051440	£254.78	£293.00
<p><b>CobraTrak Q tracking device.</b> Thatcham Category TQA rated tracking device that uses GPS and GSM technology to accurately pinpoint the location of a vehicle in up to 36 European countries in the event of theft. Price shown includes one year's subscription to the CobraTrak service</p>	ZGB000054996A	Please consult your Audi Centre for pricing	
<p><b>CobraTrak Q Attivo tracking device.</b> Includes all the benefits of the CobraTrak Q listed above with the additional advantage of allowing the owner web-based tracking across Europe. Features include: time and distance tracking, positional updates to a mobile phone or fax machine and a user self-setting transport mode. Price shown includes one year's subscription to the CobraTrak Attivo service, and £10 SMS credit</p>	ZGB000054996B	Please consult your Audi Centre for pricing	
<p><b>Road Angel Professional Connected.</b> Gives you access to the UK's number-one safety camera and accident blackspot database as you drive. It is the world's first Connected safety camera and blackspot alert device which uses a built-in SIM card and GPRS/GSM technology to enable UK-wide safety camera location updates every few minutes. The Road Angel Professional Connected is operated via remote control and has a full colour screen that can be customised to your taste. Includes a built-in rechargeable battery with up to 8 hours' battery life</p>	ZGB000052916A*	£256.51	£294.99

\*Subsequent subscription charges apply, £4.99 per month payable by Direct Debit, minimum 12 months' contract is required. Includes free trial period of tracking function, additional subscription required for ongoing use. Please note: Road Angel products are only covered by a 1-year warranty. Road Angel warranty terms and conditions can be found at [www.roadangel.co.uk](http://www.roadangel.co.uk).

Every Audi is intrinsically exclusive. It's the breathtaking design, the exceptional engineering, the Vorsprung durch Technik. But for that added element of exclusivity, you can specify your new A4 with options from Audi exclusive. Whether you want a completely unique, custom-mixed paint colour or seats in a combination of complementary shades, Audi exclusive will enable you to drive the car you've always imagined.

For more information on any of the options over the following pages or to view swatches, simply ask a member of staff at your local Audi Centre.

# Upholstery

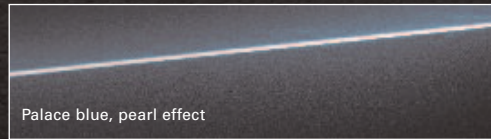

With Audi exclusive, you can choose between Fine Nappa leather and Alcantara, depending on the texture and flexibility you prefer in your car's upholstery. And once that's decided, you can specify your seats in an array of different colours shown to the left.

Choose just one all-over shade for each seat, or for a sportier look, customise each panel in two or more complementary colours from the distinctive Audi exclusive palette shown here. You can even choose the colour of the decorative stitching – to match or contrast with your chosen upholstery – from this varied collection. Whatever combination you decide upon, you're guaranteed to be extremely comfortable with the result.

Oak green, metallic

Saddle brown, pearl effect

Classic red, pearl effect

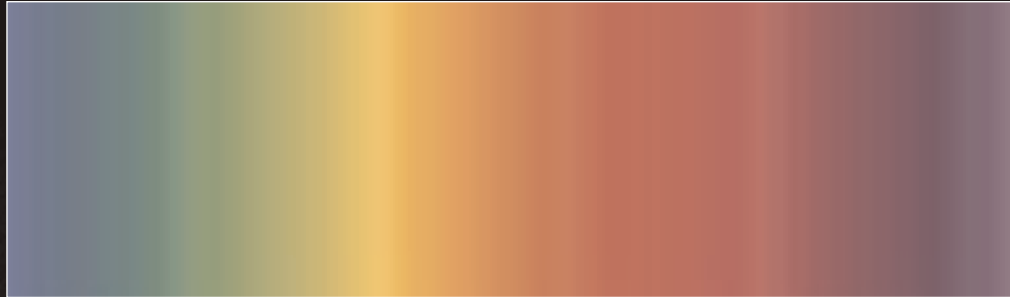

Or any other paint colour in the Audi range

## Paint

Everyone has a favourite colour. No matter what yours is, Audi exclusive provides a range of unique colours that have been designed to set your car apart. Choose from the swatches here, or specify any other paint colour in the Audi range – whether it's Jet blue from the Audi R8 or Alpine white from the original Audi quattro®. The choice is yours.

•	•	•	•	•	-	•	£1,447.83	£1,665.00

## Customised paint

In a car made from Vorsprung durch Technik, there are no compromises. So if you have a particular colour in mind, we'll mix the exact metallic or pearl-effect shade you want.

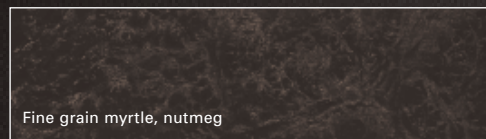

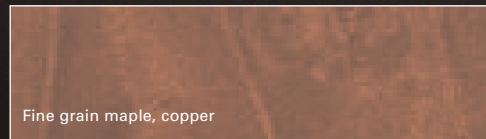

Standard	SE	Executive SE	S line	Executive S line	A4 allroad	S4 quattro*	Basic RRP	Total RRP <sup>inc. VAT</sup>
•	•	•	•	•	-	•	£2,043.48	£2,350.00

## Inlays

Inlays are the all-important 'finishing touch' that add flair and interest to the surfaces inside your car. So Audi exclusive have sourced a hugely varied range of materials from which to craft these elements – from Oak sepia to rich Quilted maple wood. You can even customise your gear knob with one of a choice of woods, all of which are shown opposite.

	Basic RRP	Total RRP <small>inc. VAT</small>
Inlays	£639.13	£735.00

## Steering wheels and controls pack

Our fingertips and palms contain more touch receptors than any other part of our body – so shouldn't the parts of our car we handle the most also be the most pleasing to touch? With this in mind, Audi exclusive enables you to customise the steering wheel of your choice in smooth, warm leather, in any of the colours shown on page 61. As with Audi exclusive seats, you even have free choice on the colour of the decorative stitching used. Choose a controls pack and you can extend this exclusive look and feel to your car's handbrake, gearknob and gaiter too.

Controls pack	-	•	•	•	•	-	•	£508.70	£585.00

## Carpets and floor mats

Exclusivity isn't just about choice and individuality – it's about attention to every detail in your A4; and for us, that includes the carpets and floor mats. First, choose from eleven different colours of high-quality velour carpets. Next, choose the colour of your car's floor mats from the same list, whilst using the palette of Audi upholstery colours detailed on page 61 to select a leather colour for the mats' decorative leather piping – matched or contrasting, depending on your personal taste. Floor mats are included when you order Audi exclusive carpet; but if you wish, they can also be purchased separately in a set of four.

3.0 TDI quattro®	V6	2967	240	500/1500-3000	7-speed S tronic	189	6.4	148	16E

\*Provisional data.

<sup>1</sup>The given value was obtained in accordance with the specified measurement procedure (the respective current version of the Directive 80/1269/EEC).

<sup>2</sup>The given values were calculated in accordance with the specified measurement procedure (the respective current version of Directive 80/1268/EEC). This information does not relate to a single vehicle and does not comprise part of the offer but is merely intended for the purpose of comparison between the different vehicle types.

# Technical data

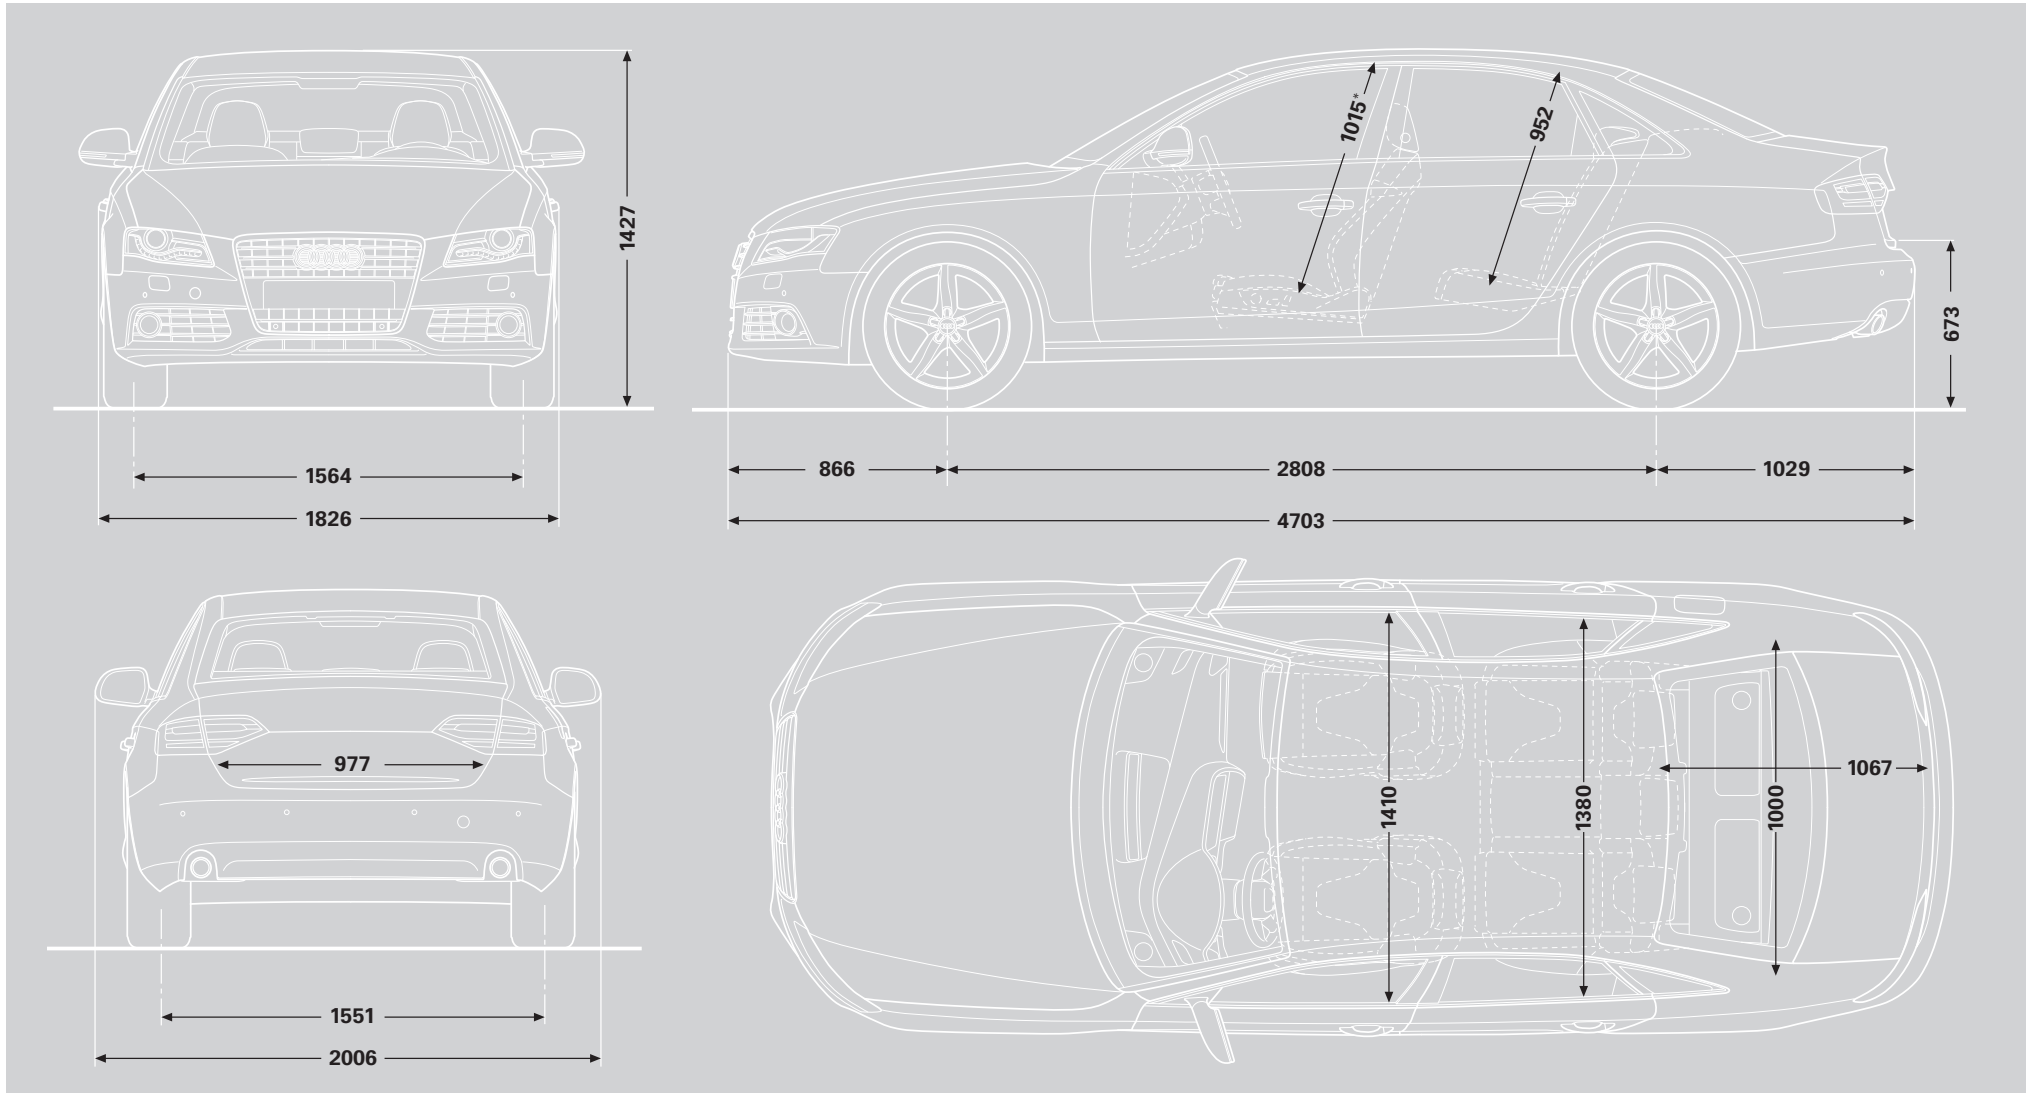

Unladen weight <sup>3</sup>	Weights, kg		Max. trailer load <sup>4</sup> , kg			Volumes		Fuel tank capacity approx, litres	Fuel consumption, mpg (l/100km)		
	Gross weight limit	Roof load limit/nose weight	unbraked	with 12% gradient	with 8% gradient	Luggage compartment capacity, litres	Rear seats upright		Rear seats folded	Urban	Extra Urban
1650	2220	90/80	750	1700	1900	490	1430	64	27.7 (10.2)	41.5 (6.8)	34.9 (8.1)
1630	2200	90/80	750	1700	1900	490	1430	64	37.7 (7.5)	51.4 (5.5)	45.2 (6.2)
1730	2300	90/80	750	1900	2100	490	1430	64	32.5 (8.7)	46.3 (6.1)	39.8 (7.1)

<sup>3</sup>Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive 80/1268/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

<sup>4</sup>The engine's power output always goes down with increasing altitude. At 1,000m above sea level, and for every additional 1,000m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle).

# Dimensions

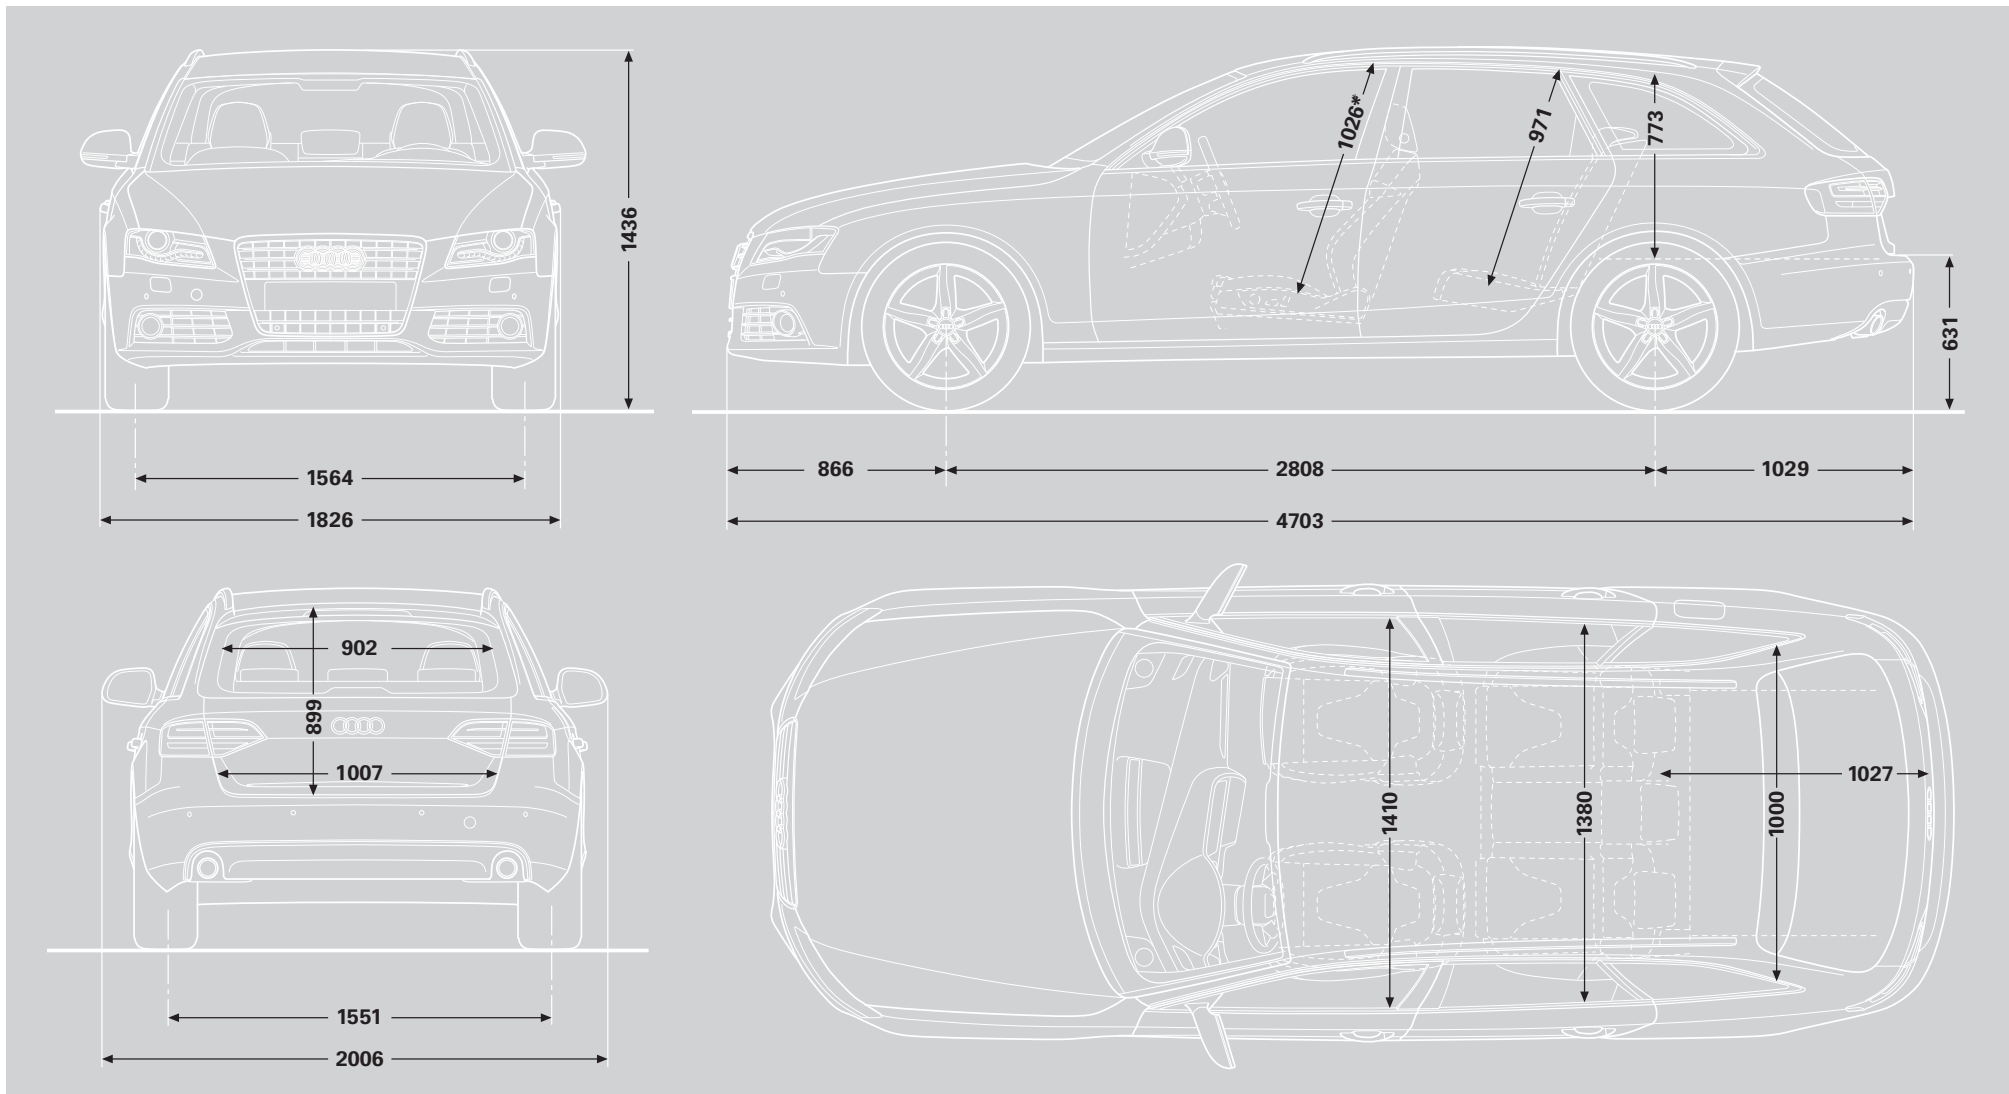

## A4 Saloon

# Dimensions

## A4 Avant

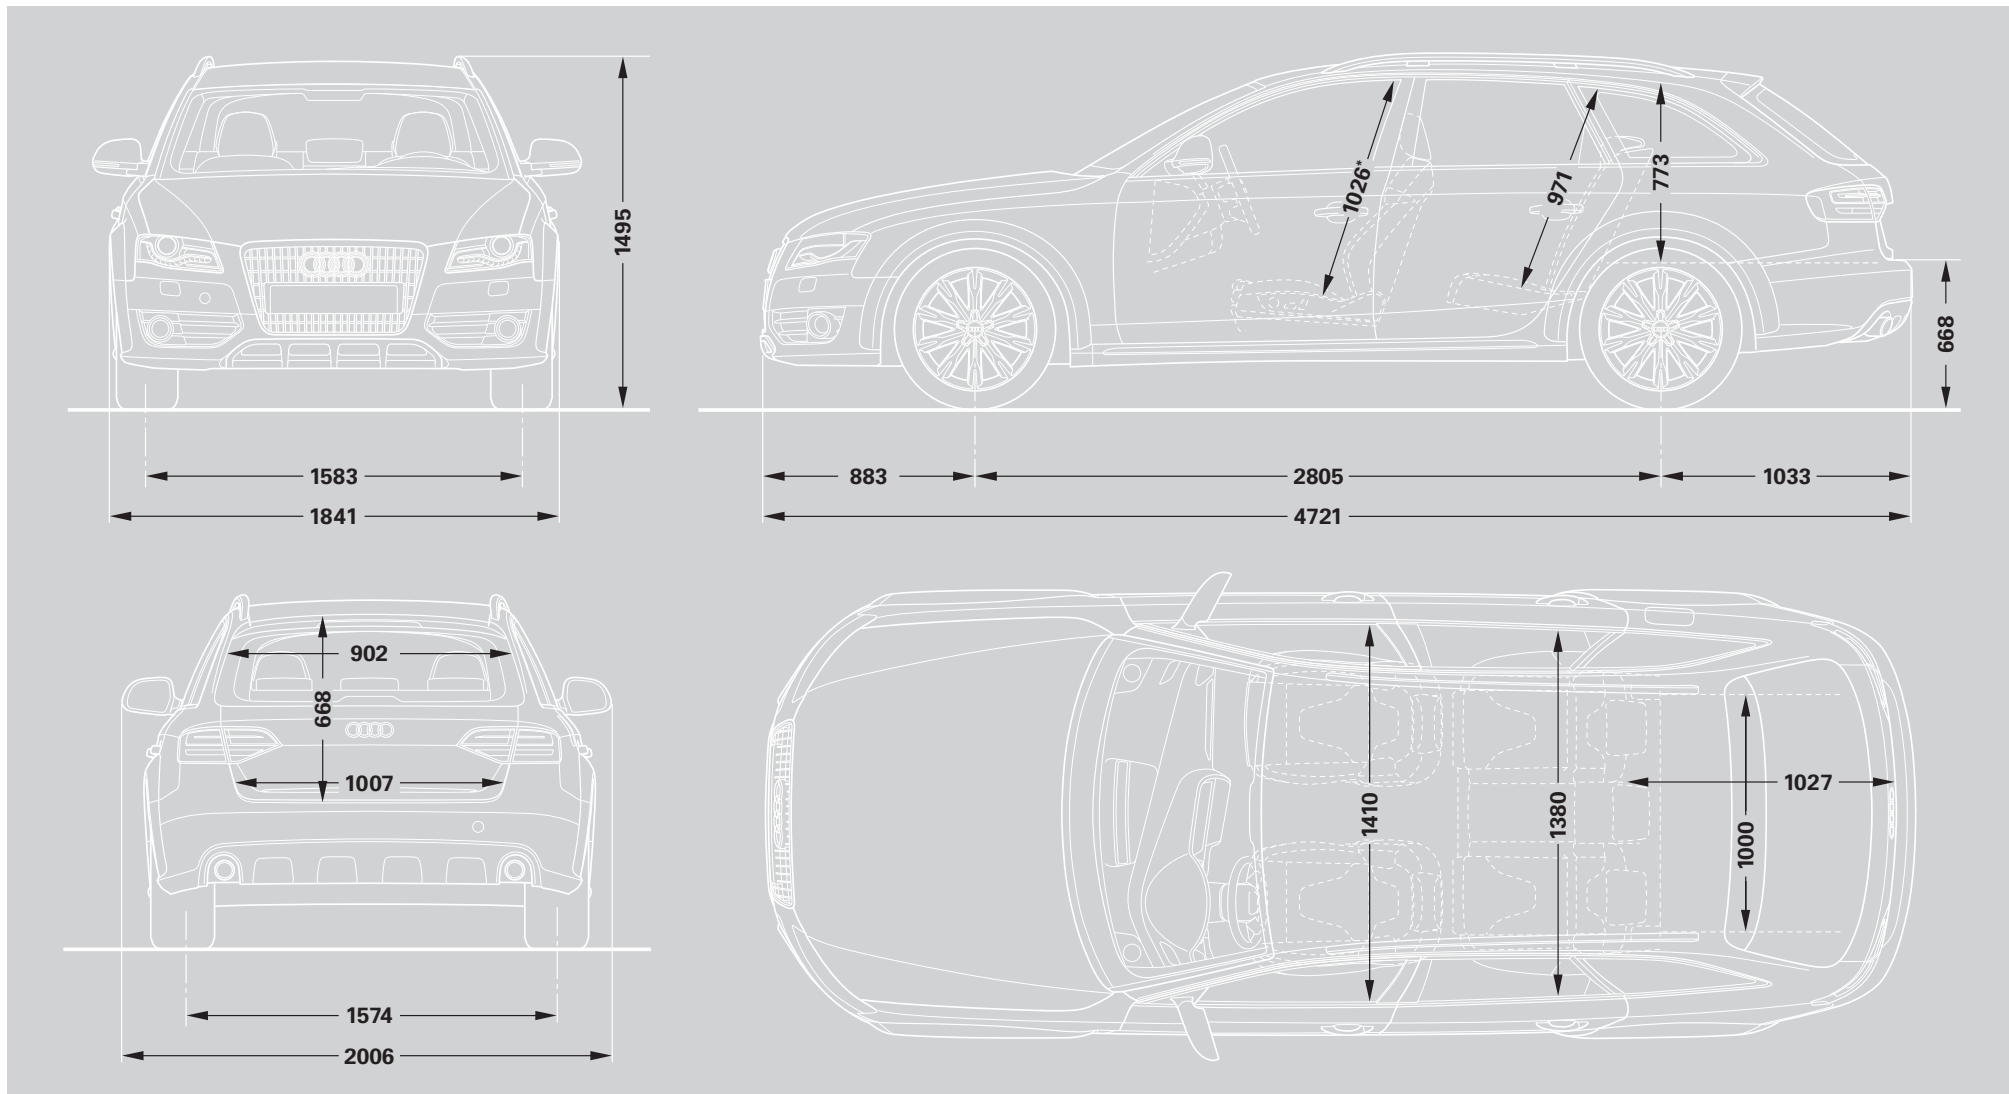

Dimensions were measured with vehicle at unladen weight, ground clearance measured with vehicle carrying its maximum load. Luggage compartment volume in litres: 490/1430 (measured by the VDA standard test method using 200 x 100 x 50mm blocks; second value: with rear seat folded down). Turning circle approx 11.4m.

Dimensions in millimetres.  
\*Maximum headroom.

# Additional information

## CO<sub>2</sub> data and information

### CO<sub>2</sub> emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO<sub>2</sub>) a vehicle emits, measured in grams per kilometre (g/km). The DVLA has created thirteen categories:

Petrol and Diesel engines	
<b>A</b> – up to 100g/km	£0.00
<b>B</b> – 101 to 110g/km	£35.00
<b>C</b> – 111 to 120g/km	£35.00
<b>D</b> – 121 to 130g/km	£120.00
<b>E</b> – 131 to 140g/km	£120.00
<b>F</b> – 141 to 150g/km	£125.00
<b>G</b> – 151 to 165g/km	£150.00
<b>H</b> – 166 to 175g/km	£175.00
<b>I</b> – 176 to 185g/km	£175.00
<b>J</b> – 186 to 200g/km	£215.00
<b>K*</b> – 201 to 225g/km	£215.00
<b>L</b> – 226 to 255g/km	£405.00
<b>M</b> – over 255g/km	£405.00

\*Band K includes cars that have a CO<sub>2</sub> figure over 225g/kg but were registered before 23 March 2006.

## Audi Service

### Servicing tailored to your needs

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value. To make servicing easy, the Audi Service Schedules have been designed to work with your individual driving style and vehicle.

There are two schedules available and your Audi Centre will advise which schedule is most suited to your needs. The conventional fixed Audi Inspection Service schedule

### Inspection Service Schedule

Vehicle usage:	
<b>Mileage</b>	Less than 10,000* miles per annum
<b>Type of journey</b>	Mainly city/town centre driving. Short journeys
<b>Conditions</b>	Frequent cold starts. High engine loading – e.g. frequent hill climbs, vehicle fully loaded, towing
<b>Driving style</b>	Uneconomical – e.g. heavy acceleration, heavy braking, constant changes in speed, constant use of high revs, 'sporty' driving

Fixed Audi Inspection Service Intervals:	
<b>Oil-change Service</b>	Fixed to every 10,000* miles/1 year
<b>Inspection Service</b>	Fixed to every 20,000* miles/3 years, then every 20,000* miles/2 years thereafter

has fixed intervals for the Oil Change and Inspection Service that are based on time and distance, whichever comes first. With the Audi LongLife Service schedule, sensors take account of driving style and conditions in which the vehicle is used to indicate when the Oil Change Service is required. Oil Change Service intervals are therefore variable and are conveniently indicated via the on-board service interval display.

### LongLife Service Regime

Vehicle usage:	
<b>Mileage</b>	More than 30 miles per day
<b>Type of journey</b>	Motorway and main road driving. Mainly longer distance journeys. Constant speeds
<b>Conditions</b>	Normal engine loading – e.g. with little or no towing, with little or no hill climbs. Normal vehicle loading
<b>Driving style</b>	Moderate acceleration, moderate braking, engine revs mainly below 3,000

Audi LongLife Service Intervals:	
<b>Oil-change Service</b>	Variable to a maximum of every 20,000* miles/2 years
<b>Inspection Service</b>	Fixed to every 20,000* miles/3 years, then every 20,000* miles/2 years thereafter

\*As indicated by the service interval display. Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

# Additional information

## Service by Design

At Audi, we believe our customers have the right to expect excellent service each and every time they make contact with us. To ensure that this happens, we have agreed a set of service standards with our Audi Centre network that governs the way they do business with you. These standards apply to both Sales and Aftersales, and we actively monitor our Centres to ensure that you receive the highest level of customer service. These service standards will ensure a consistent, stress-free experience whenever you are in contact with anyone representing the Audi brand.

### Every Audi Centre will be open during the following hours:

**Sales:** 9am-6pm Monday to Friday  
9am-5pm Saturday

**Service:** 8am-6pm Monday to Friday  
8.30am-1pm Saturday

Sunday opening at local discretion.

### Test drives

Whilst we cannot always have the desired demonstrator car ready immediately, we will confirm arrangements for a test drive within two working days (subject to status).

### New car delivery

Once we have confirmed a delivery date with you, we will keep you informed of progress. In the unlikely event of a delay, we will provide you with a courtesy car to minimise inconvenience and keep you mobile.

### Delivery to any location within the UK

To maximise your Audi experience right from the first day of ownership, we will deliver your car to your preferred location – whether that's home or your place of work (subject to reasonable notice).

### Every attention to detail

Your ownership experience starts with half a tank of fuel.

### Quotation response

We are committed to answering any quotation request within 1 working day.

### Training

We run a continuous training development programme for all our staff so that we consistently deliver a high-quality, professional service.

### Formal complaints procedure

We have a complaints procedure designed to ensure any negative issue you raise with us is dealt with properly.

### Service bookings

If you do not require a courtesy car, we will service your Audi within a maximum of 5 working days. If you do choose to take a courtesy car, we will promise to service your vehicle within a maximum of 10 working days.

### Cleaning

When your car comes to our workshop, we will wash and vacuum it at no extra cost.

### No hidden charges

You will be consulted before we carry out any necessary work on your vehicle, and anything charged for will be itemised on your bill. No extra work will be undertaken without your permission.

### A personal service

All work will be done by a named Audi Technician, to whom you can personally direct questions or requests should you need to.

### Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

# Additional information

## Pricing information

### Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre, as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 15%.

Delivery charges and number plates are not included in the vehicle price.

<u>Delivery charge</u>	<u>£471.30</u>
<u>Number plates</u>	<u>£20.00</u>
<u>VAT</u>	<u>£73.70</u>
<u>Total</u>	<u>£565.00</u>

### Audi Roadside Assistance

Your new car comes complete with complimentary roadside assistance and recovery across the UK provided by RAC Motoring Services. Also included is roadside assistance throughout Europe, managed by RAC Motoring Services.

### Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- ▶ A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the third year
- ▶ A 3-year paint warranty
- ▶ A 12-year anti-corrosion warranty
- ▶ Up to 3 years' UK roadside assistance and recovery

This package, together with Audi variable Service intervals, offers a combination unmatched by any other major manufacturer. Contact your Audi Centre for full details.

### Audi Tax-Free Sales

If you are entitled to purchase a vehicle free of VAT, normally through Military or Diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call Freephone 0800 585878.

### Audi Finance

Audi Finance specialise in providing funding solutions for Audi drivers. Whether your Audi is for private or business use, there are a range of funding options to choose from.

Below is the full range of finance products.

- ▶ Solutions – a Personal Contract Plan
- ▶ Hire purchase
- ▶ Lease purchase
- ▶ Finance lease
- ▶ Contract hire

With all products, you can choose a fixed-cost maintenance plan designed to help you budget accurately.

No matter what Audi model you choose, your local Audi Centre can provide you with a personalised quote which could fit your budget and motoring needs.

Audi Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

### Audi Insurance

Competitive comprehensive motor insurance designed specially for Audi drivers. All new Audi models come with complimentary seven-day cover upon request – we'll email a cover note directly to your Audi Centre, enabling them to tax your car easily. This way, you can drive straight out of the showroom. Taking out an annual policy is easy and can begin as soon as your free seven-day cover expires.

For more information, contact your local Audi Centre. Alternatively, call 0800 051 3146 for a quote and to receive 7 days' complimentary cover for your new Audi.

Audi Insurance is underwritten and administered by Zurich Insurance Company.
