AWARD-WINNING DESIGN

The stunning looks of Mazda CX-3 are thanks to its award-winning KODO: Soul of Motion inspired design. Distinctive LED headlights and a silver-edged front grille on Sport Nav models provide an aerodynamic and sleek appearance to the vehicle front. While the compact, sculpted body offers the sensation of enhanced speed and fluid driving.

Models shown are Mazda CX-3 105ps AWD Sport Nav Diesel with optional Soul Red Metallic paint available at additional cost and Mazda CX-3 120ps 2WD Sport Nav with optional Ceramic Metallic paint available at additional cost.

THE START OF SOMETHING NEW

With its muscular shoulders and striking, bold appearance, Mazda CX-3 offers a new approach to vehicle design. Sport Nav models feature chrome-accented side sill trims, rear privacy glass and 18" Gunmetal alloy wheels with three-dimensional contoured spokes, which promise to turn heads. A lightweight SKYACTIV-Body combines with two or all-wheel drive to deliver the sporty, 'fun to drive' performance you expect from Mazda.

Model shown is Mazda CX-3 150ps AWD Sport Nav with optional Ceramic Metallic paint available at additional cost.

IT'S HARD TO LOOK AWAY

The flowing profile of Mazda CX-3 gives an impression of energy in motion. Slim, sharp headlights sweep into Mazda's signature wing to create an imposing front view. Signature lighting on Sport Nav models creates extra impact, featuring LEDs for high performance and efficiency.

Model shown is Mazda CX-3 105ps AWD Sport Nav Diesel with optional Ceramic Metallic paint available at additional cost.

FEELS LIKE HOME

Designed with the driver in mind, the spacious interior of Mazda CX-3 offers hand-crafted levels of quality. Sculptured soft-touch dashboard panels with colour co-ordinated stitching provide a luxurious finish to the interior. Our selection of exclusive seat trims offer you a comfortable and engaging drive, while the elevated seating position provides a perfect view of the road ahead.

COMFORT THAT ADAPTS

Mazda CX-3 seats five in supreme comfort. And when you need to transport something larger, the 60:40 split-folding rear seats easily make extra room possible. The flexible cargo board provides even more functionality, allowing you to secure smaller items beneath the upper boot area, whilst also delivering a flat load space.

FLEXIBLE SEATING

With flexible seating and clever storage solutions, Mazda CX-3 can easily adapt to your needs.

FLAT LOAD FLOOR

The 60:40 split rear seats fold flat to provide a large, level load space with the flexible cargo board in the upper position.

FLEXIBLE CARGO BOARD

In the upper position the cargo board provides a level load space when loading the boot with the added benefit of a completely flat load space with the rear seats folded.

FLEXIBLE CARGO BOARD

A secure separate storage space beneath the cargo board allows storage of smaller items, whilst still allowing larger items to be placed above*.

Model shown is Mazda CX-3 120ps 2WD Sport Nav with optional half Stone leather, half black LUX SUEDE® interior available at additional cost.
*Sport Nav models feature a Bose® speaker and bass enclosure in the space beneath the cargo board, which uses 63 litres of the available cargo space.

INTELLIGENCE AT YOUR FINGERTIPS

Positioned high on the centre of the dashboard, close to the driver's natural line of sight, is the 7" colour touch-screen display. This screen puts information and entertainment at your fingertips and displays a range of useful information, including access to internet applications* and the eco-driving display screen.

CONNECTIVITY AT YOUR COMMAND

Experience the perfect combination of information, connectivity and entertainment in Mazda CX-3. Standard across the range is MZD-Connect, an advanced infotainment and connectivity system that provides access to a range of features and applications. Connectivity is key in Mazda CX-3 and via a compatible mobile device you can access thousands of internet radio stations from around the world, safely check and reply to text messages, and even keep up to date with Facebook and Twitter*. Enjoy listening to your favourite radio stations via DAB radio or stream your choice of music via a Bluetooth® connection. All safely and easily controlled using the 7" colour touch-screen display and the intuitive Multimedia Commander, leaving you to concentrate on enjoying the drive.

MULTIMEDIA COMMANDER

Located between the driver and front passenger, the Multimedia Commander allows you to operate the infotainment and connectivity system with minimal effort, including a separate volume dial for easy adjustment. Ensuring you can concentrate on enjoying the drive.

The MZD-Connect system is divided into five sections as displayed on the home screen.

QUALITY IN EVERY DETAIL

Every feature inside Mazda CX-3 reflects the attention to detail that our designers and engineers craft into every Mazda. An array of cleverly designed technologies – including the Active Driving Display, Multimedia Commander, premium Bose® audio and integrated satellite navigation system* are available to enhance your driving experience, wherever you decide to go and whatever the traffic conditions.

KEEPING YOU IN CONTROL

The surprisingly spacious interior of Mazda CX-3 reflects the skill and craftsmanship of our designers to deliver a premium and driver-focused environment. Settle in to the driver's seat and see how the cockpit embraces you, bringing all controls and dials within easy reach, and displaying essential driving information in the stylish instrument panel. Sport Nav models feature a selection of specifically-placed Bose® speakers which deliver sharp and impressive sound quality, whether you are listening to the latest DAB radio station or streaming via the Bluetooth® connection. Combining driving comfort and innovative technologies, Mazda CX-3 has been designed to ensure the journey to your destination is made as easy and enjoyable as possible.

BOSE® SOUND SYSTEM

Seven premium Bose® speakers are precisely positioned throughout Mazda CX-3 Sport Nav models.

BOSE® HIGH-PERFORMANCE SPEAKERS

1. Two 2.5cm neodymium tweeters in the instrument panel.
2. Two 16cm wide-range speakers in the front doors.
3. Two 13cm wide-range speakers in the rear doors.
4. One 13cm Richbass® woofer in a 10-litre custom engineered bass enclosure within the rear cargo space**.
5. Digital amplifier under the driver's seat with Bose® Digital Signal Processing and 7 channels of customised equalisation.

ACTIVE DRIVING DISPLAY

The Active Driving Display provides essential driving information including speed, turn-by-turn navigation and emergency warnings via a head-up display. Positioned at eye level, meaning you can focus on the road ahead whilst being kept updated on relevant vehicle information. (Standard on Sport Nav models).

SATELLITE NAVIGATION

Plan your journey quickly and easily with the integrated satellite navigation system. Select your choice of routes from fastest, shortest and most economical and stay up-to-date with 3-years free European map updates. (Standard on SE Nav, SE-L Nav and Sport Nav models).

*Active Driving Display and Bose® audio are standard on Sport Nav models. Integrated navigation is standard on SE Nav, SE-L Nav and Sport Nav models.
 **The Bose® speaker and bass enclosure uses 63 litres of the available cargo space. Furthermore, the flexible cargo board can only be placed in the higher position as opposed to both higher or lower positions in SE, SE Nav, SE-L or SE-L Nav models.

SKYACTIV TECHNOLOGY

CREATED TO EXCITE

Mazda's groundbreaking and award-winning SKYACTIV Technology has redefined the efficiency, power and performance of our cars. Mazda CX-3 is no exception, combining the perfect balance of performance and efficiency, which continues to prove how we create cars that defy convention.

SKYACTIV TRANSMISSIONS

Lightweight and compact, the SKYACTIV-MT manual and SKYACTIV-Drive automatic transmissions deliver smooth, crisp and direct gear shifts which contribute to excellent fuel economy.

SKYACTIV ENGINES

Deliver responsive and dynamic performance, as well as lower emissions and outstanding fuel economy.

SKYACTIV BODY AND CHASSIS

Rigid and lightweight to offer the protection you need, combining a comfortable and sporty driving experience.

INTELLIGENCE LIES WITHIN

Mazda CX-3 embodies Mazda's legendary 'fun to drive' DNA. Featuring the complete range of award-winning SKYACTIV Technologies, it delivers performance and efficiency combined, for a responsive, agile and sporty driving experience.

SKYACTIV TECHNOLOGY

SKYACTIV Technology is all about fuel economy, low emissions and making driving more fun. Embracing all the technologies - engines, transmissions, chassis and body - it's an approach that completely reimagines the car from the ground up. Coupled with innovations such as i-stop and i-ELOOP, SKYACTIV Technology enables Mazda CX-3 to deliver a unique mix of driving pleasure, balanced with outstanding environmental and safety performance.

NEW BENCHMARKS FOR PERFORMANCE

Choose from the impressive 120ps SKYACTIV-G petrol engine coupled with 2WD, or the dynamic 150ps SKYACTIV-G petrol engine available with AWD. Both petrol engines provide highly competitive fuel economy and low CO₂ emissions whilst ensuring a no compromise approach to performance. Alternatively there is the 105ps SKYACTIV-D diesel engine available with either 2WD or AWD and an ultra-compact, lightweight turbocharger for excellent efficiency.

MORE POWER TO YOUR WHEELS

Supporting improved fuel economy, the six-speed SKYACTIV-Drive automatic transmission is lightweight and compact. It delivers smooth gear shifts with a 'Sport' mode for greater torque availability and enhanced acceleration. The six-speed SKYACTIV-MT manual transmission is compact and lightweight in design, resulting in excellent fuel economy and a shift feel reminiscent of the legendary Mazda MX-5.

PRECISE AND COMFORTABLE HANDLING

The lightweight SKYACTIV-CHASSIS offers the perfect balance of agility and stability with exceptional handling and ride comfort. Coupled with steering which responds predictably to driver input, it delivers that 'fun to drive' element you have come to expect from Mazda.

WHEN BODY MEETS SOUL

Outstanding crash protection is possible thanks to the SKYACTIV-BODY which utilises lightweight high-tensile steel. The lightweight, ultra-strong and highly rigid body also contributes to improved fuel economy and a more rewarding and responsive drive.

THE SAFEST PLACE ON THE ROAD

Mazda CX-3 contains an array of intelligent safety technologies that are designed to help you relax and enjoy the drive. Mazda's intuitive i-ACTIVSENSE technologies offer an intelligent collection of safety features that use sensors and a camera to monitor your surroundings and provide optimum protection and convenience. Mazda CX-3 delivers on the 'fun to drive' without compromising your safety.

ADVANCED SAFETY TECHNOLOGY

Engineered from the ground up to provide comprehensive all-round protection for you and your passengers, the active and passive safety systems in Mazda CX-3 work together to warn you of impending dangers and help to avoid or reduce the severity of a collision. **Smart City Brake Support*** is one of these technologies designed to avoid or minimise the effects of low-speed collisions. The laser-based system continually monitors the gap and closing speed of the vehicle in front, automatically applying the brakes if a collision is likely at speeds up to approximately 20mph. Inside, Mazda CX-3 is fitted with six airbags as standard and ISOFIX child seat anchor points on the outer rear seats for that extra peace of mind.

BLIND SPOT MONITORING SYSTEM

BSM warns you of a vehicle entering a detection zone up to 50 metres behind, by activating a door mirror-mounted warning light on the relevant side of the vehicle. If you then indicate prior to turning in that direction, the warning light flashes and an audible alert sounds. Working at speeds as low as 20mph, this system can prevent drivers from moving into the path of a following vehicle (Part of the optional Safety Pack available on Sport Nav models at additional cost).

LANE DEPARTURE WARNING SYSTEM

Designed to warn the driver if the vehicle inadvertently strays from its lane. A front-view camera monitors the road ahead and calculates the car's position relative to the lane markings. Should the system detect that the car is about to unintentionally move out of lane, it emits an audible warning sound to alert the driver (Not available on SE and SE Nav models).

REAR CROSS TRAFFIC ALERT

Specifically designed for when you are reversing, the system alerts you of any vehicles or obstacles approaching from either side of the rear of the car. A warning light begins flashing in the door mirror and an audible alert sounds. The alarm stops once the area is clear, allowing you to continue reversing safely (Part of the optional Safety Pack available on Sport Nav models at additional cost).

HIGH BEAM CONTROL

Automatically switches between high and low beams according to traffic conditions. The system detects the headlights of oncoming vehicles or rear lights of those travelling ahead and switches to low beam so as not to blind other drivers, then switches back to high beam once the road is clear (Part of the optional Safety Pack available on Sport Nav models at additional cost).

Model shown is: Mazda CX-3 150ps AWD Sport Nav with optional Soul Red Metallic paint and optional Safety Pack, both available at additional cost. *Smart City Brake Support is standard on L, SE-L Nav and Sport Nav models.

MY MAZDA APP

Hold your smartphone or tablet over the QR code to download the My Mazda app. Designed exclusively for Mazda owners, it lets you access important vehicle information, as well as being able to locate your nearest Mazda dealer and track your vehicle service history.

SERVICE AND WARRANTIES

Just like the cars themselves, the services we offer are designed to provide you with a first-class ownership experience. Every new vehicle is covered by a 3-year warranty for up to 60,000 miles, including a 3-year paintwork warranty, and a 12-year perforation warranty. We also offer Extended Warranties to extend the cover for your Mazda. Mazda Roadside Assistance offers cover in the event you require breakdown assistance, your vehicle is stolen or is involved in an accident.

The maximum service interval for your Mazda is 12,500 miles or 12 months whichever occurs first, however, the servicing intervals may reduce based on the style of driving and the conditions under which your vehicles is operated.

FREE MAZDA ACCIDENT AFTERCARE

Mazda Accident Aftercare is designed to assist you following a road traffic accident. Call Mazda First after an accident and they will liaise directly with your insurer to process the claim and ensure that your vehicle is repaired at a Mazda approved bodyshop using only genuine Mazda parts, additional benefits include providing you with a free courtesy car and maintaining your Mazda warranties.

MAZDA CONTRACT HIRE*

Mazda Contract Hire offers low running costs with market-driven residual values, resulting in extremely competitive ownership costs for businesses and individuals. To find out more about the benefits of Mazda Contract Hire, please speak to your Mazda dealer or phone 0844 600 1410.

Mazda Contract Hire is provided by ALD Automotive Limited, trading as Mazda Contract Hire, Oakwood park, Lodge Causeway, Fishponds, Bristol, BS16 3JA. Guarantees / Indemnities may be required. ALD Automotive Limited is incorporated in the UK and regulated by the Financial Services Authority in respect of general insurance products.

FINANCE

As well as vehicle warranty and service plans, we offer finance packages to help ensure a rewarding ownership experience. Mazda Financial Services provides a variety of finance products to suit the needs of both private and business customers.

WHAT YOU CAN EXPECT FROM MAZDA FINANCIAL SERVICES:

- Assistance in renewing your car. We'll help you choose the right finance package to enable you to renew your Mazda car as often as you would ideally like
- Fixed Interest Rates. The interest rate on your loan is fixed for the duration of the agreement
- Flexible terms tailored to your motoring needs. As specialists in Mazda vehicles we aim to tailor a finance package to both your budget and your motoring / ownership needs

Please ask your sales executive for a tailor-made finance quote for your new car.

MAZDA FINANCIAL SERVICES FINANCE PLANS:

MAZDA CONDITIONAL SALE:

The traditional way of buying your car. Mazda Conditional Sale is a simple way of financing that provides you with certainty due to a fixed interest rate and fixed monthly repayments throughout the agreement. Your initial deposit and repayment period can be structured to help meet your budget and the length of time you expect to keep the car. You can trade in your existing vehicle and put this towards the initial deposit, or if you wish, just put down a cash deposit. At the end of your contract, when all repayments have been made, the car is yours.

OUR COMMITMENT TO YOU AND YOUR MAZDA

Mazda makes cars that excite, look beautiful, are fun to drive and make you want to drive them again and again.

We are passionate about delivering complete motoring confidence and a first-rate ownership experience.

MAZDA PERSONAL CONTRACT PURCHASE:

The finance plan that helps you change your Mazda car at more regular intervals. Personal Contract Purchase is similar to a Conditional Sale agreement but with additional flexibility since part of the vehicle cost is deferred until the end of the agreement which may give you the benefit of lower monthly repayments. The deferred amount is known as the Guaranteed Future Value or Optional Final Payment.

At the end of your contract, when all repayments have been made, you then have three options:

- Renew: Choose another Mazda. Use any excess value above the Optional Final Payment towards a deposit for another Mazda. You can trade in your car at any time or sell it privately having settled your account
- Retain: Keep the car. Simply pay the Optional Final Payment, and the car is yours
- Return your car: There's nothing more to pay if the car's in good condition and within the agreed mileage

Finance subject to status. Terms and conditions apply. You will not own the vehicle until all payments are made. 18s and over. Guarantee may be required. Mazda Financial Services RH1 1SR.

SKYACTIV TECHNOLOGY – HELPING YOU STAY EFFICIENT

Although we develop exciting cars that are fun to drive, we are equally committed to the environment and to the creation of a sustainable future for all. Our ongoing sustainability programmes are dedicated to the development of clean technologies. Our SKYACTIV Technology range includes engines, transmissions, chassis and body designs, which deliver fuel-efficient and economical driving. Our engines deliver the perfect combination of performance and improved driving economy by being lighter and more fuel-efficient than many of our competitors.

CUSTOMER EXPERIENCE

Start your journey with Mazda using the Configurator on the Mazda website. It lets you customise a digital vehicle, letting you choose from a selection of engines, trims, exterior colours and accessories. Discover the benefits of becoming part of the community that defies convention with My Mazda – the online home for all Mazda owners. The service lets you view and update your personal information using the Mazda Digital Service Record (DSR), which provides security against counterfeit service documents and guarantees a secure, accurate and permanent service history for the life of the vehicle. Or why not explore Facebook, Twitter and YouTube for even more Mazda related material. Whatever journey you take with Mazda, we'll make sure it's a unique and gratifying experience.
